

Implementation Task Force

President Fenves announced a 24-member task force that is charged with implementing the UT Austin [Campus Carry Policies and Implementation Strategies](#).

The task force will work with the Office of the Provost, Division of Student Affairs, Human Resources, UT Police Department and others to incorporate the campus carry policies into the University Policies, Handbook of Operating Procedures, and the Institutional Rules on Student Services and Activities according to established procedures. The task force will communicate with faculty members, staffers, and students about the rules and regulations and guide the development of training materials.
