**Attachments:** D 13503-13558 2015.11.24 COLA Degree Changes EVPP to EVCAA.PDF

I have reviewed the proposed changes to the above-referenced catalog. If the changes have received the appropriate UT System and any required THECB approvals, there is no OGC objection.

Please be advised that the proposal includes the addition of various minor programs. While these do not require OAA or THECB approval, they were included as part of the proposal package by UT Austin and have been included in this approval as well. Please feel free to contact me with any questions or concerns

Thank you,
