Response:

- f. Will this proposal change the number of hours required for degree completion? Yes If yes, explain: Forty-five hours total required (previously thirty-nine hours, with twelve-hour minor requirement). Rationale: The elimination of the minor requirement (see first proposed change) meant that IRG needed to insert additional hours into its major requirements if it wished to preserve core area-studies coursework for students. The forty-five hours total (major only) represents a decrease from the fifty-one hours total (major + minor) in previous catalogs, but still considerably more than other COLA degree programs.
