PROPOSED NEW CATALOG TEXT:

Transcript-Recognized Certificate Programs

The College of Liberal Arts offers several certificate programs, which are open to all degree-seeking University undergraduates. Undergraduates who complete certificate requirements in conjunction with their degree requirements or within one year after earning the degree receive recognition on the University transcript; students in integrated undergraduate/graduate programs must complete certificate requirements within one year after they complete their undergraduate degree requirements. A maximum of nine semester hours of certificate coursework may be taken after the student has earned the undergraduate degree. At least half of the required certificate coursework must be completed in residence at the University; some programs may require more work in residence.

A student may not earn a certificate in the same field as his or her major, and may not count the certificate towards their minor requirement if [at least one certificate course must be outside] more than six hours of the certificate's coursework may also be counted toward the requirements of their major. A certificate counted in place of a minor must meet the minimum requirements for a minor. However, certificate courses outside the major may be counted toward other degree requirements. For certificates not counting toward the minor requirement, at least one certificate course must be outside the requirements of the major.
