

DOCUMENTS OF THE GENERAL FACULTY

**PROPOSED CHANGES TO THE HEALTH PROMOTION MAJOR IN THE COLLEGE OF
EDUCATION CHAPTER IN THE *UNDERGRADUATE CATALOG 2016-2018***

Dean Manuel Justiz, in the College of Education has filed with the secretary of the Faculty Council the following changes to the *Undergraduate Catalog, 2016-2018*. The secretary has classified this proposal as legislation of *general* interest to more than one college or school.

The Committee on Undergraduate Degree Program Review recommended approval of the changes on January 7, 2016, and forwarded the proposal to the Office of the General Faculty. The Faculty Council has the authority to approve this legislation on behalf of the General Faculty. The authority to grant final approval on this legislation resides with UT System.

If no objection is filed with the Office of the General Faculty by the date specified below, the legislation will be held to have been approved by the Faculty Council. If an objection is filed within the prescribed period, the legislation will be presented to the Faculty Council at its next meeting. The objection, with reasons, must be signed by a member of the Faculty Council.

To be counted, a protest must be received in the Office of the General Faculty by February 14, 2016.

Hillary Hart, Secretary
General Faculty and Faculty Council

4. SCOPE OF PROPOSED CHANGE

- a. Does this proposal impact other colleges/schools? Yes No
If yes, then how? **Fewer KHE major taking various math, science, or computer science classes.**
- b. Do you anticipate a net change in the number of students in your college? Yes No
If yes, how many more (or fewer) students do you expect?
- c. Do you anticipate a net increase (or decrease) in the number of students from outside of your college taking classes in your college?
If yes, please indicate the number of students and/or class seats involved.
- d. Do you anticipate a net increase (or decrease) in the number of students from your college taking courses in other colleges? Yes No
If yes, please indicate the number of students and/or class seats involved. Approximately one hundred-twenty students may not be taking additional math or science classes.

If 4 a, b, c, or d was answered with yes, please answer the following questions. If the proposal has potential budgetary impacts for another college/school, such as requiring new sections or a non-negligible increase in the number of seats offered, at least one contact must be at the college-level.

How many students do you expect to be impacted?

Impacted schools must be contacted and their response(s) included:

Person communicated with: David Vanden Bout, Associate Dean for Curriculum and Programs

Date of communication: September 27, 2015

Response: Not opposed to change

- e. Does this proposal involve changes to the core curriculum or other basic education requirements (42-hour core, signature courses, flags)? If yes, explain: **No**

If yes, undergraduate studies must be informed of the proposed changes and their response included:

Person communicated with:

Date of communication:

Response:

- f. Will this proposal change the number of hours required for degree completion? If yes, explain: **No**

5. COLLEGE/SCHOOL APPROVAL PROCESS

Department approval date: August, 27, 2015 Approved by whom: KHE Undergraduate Advisory Council

College approval date: September 8, 2015 Approved by whom: CoE Curriculum Committee

Dean approval date: September 28, 2015 Approved by whom: Dean Manuel Justiz

PROPOSED NEW CATALOG TEXT:**Health-Promotion and Behavioral Science**

Students who plan to major in health promotion and behavioral science must apply for admission to the program. A student's grade point average and completion of prescribed prerequisite coursework are factors in the admission decision. Information about admission requirements is available from an academic adviser.

Health promotion and behavioral science majors must complete the following:

1. The Prescribed Work above, with the following modifications:
 - a. ~~In addition to the core curriculum requirements above, health promotion undergraduates are expected to have completed two years in a single foreign language in high school. Students without two years of high school foreign language coursework must earn credit for the second college level course in a foreign language; this credit does not count toward the student's degree. Students should consult their advisers to determine whether additional foreign~~

~~language requirements apply to them. Health Promotion and Behavioral Science majors do not need to complete the six additional hours of natural sciences (Prescribed Work 4c).~~

- b. Communication Studies 306M
- 2. Eighteen semester hours in the cognate in health promotion:
 - a. Health Education 343
 - b. Health Education ~~370K~~ 350
 - c. Health Education ~~371K~~ 351
 - d. Health Education ~~373~~ 353
 - e. ~~Kinesiology 324K~~ Six hours of health promotion electives; approved courses available in the Student Dean's Office, George I. Sánchez Building 216 and in the Kinesiology Advising Center, Belmont Hall 1005
 - f. ~~Kinesiology 325K~~
- ~~3. Either a specialization in the Department of Kinesiology and Health Education or a minor outside the department; minors consist of fifteen hours of coursework, six of which must be upper division.~~
- 3. Either a specialization in the Department of Kinesiology and Health Education, a minor outside the department, a certificate, or a track in a second field of study which consist of a minimum of fifteen hours of coursework, six of which must be upper-division. No more than six hours in the minor may also be counted toward other degree requirements. Information about approved areas of study and specific courses that may be used is available in the Student Dean's Office, George I. Sánchez Building 216 and in the Kinesiology Advising Center, Belmont Hall 1005.

~~A student planning a career as a physician, physical therapist, physician assistant, chiropractor, or other health professional is encouraged to complete the pre-health sciences specialization, to ensure that he or she completes the science coursework required for admission to those programs.~~

{No additional changes}
