#### DOCUMENTS OF THE GENERAL FACULTY

# REQUEST TO ADD A TRANSCRIPT-RECOGNIZED MINOR IN HEALTH COMMUNICATION IN THE MOODY COLLEGE OF COMMUNICATION CHAPTER IN THE UNDERGRADUATE CATALOG, 2016-2018

Interim Dean Jay M. Bernhardt, in the Moody College of Communication has filed with the secretary of the Faculty Council the following changes to the *Undergraduate Catalog*, 2016-2018. The secretary has classified this proposal as legislation of *exclusive* application and of primary interest only to a single college or school.

The Committee on Undergraduate Degree Program Review recommended approval of the minor on February 3, 2016, and forwarded the proposal to the Office of the General Faculty. The Faculty Council has the authority to approve this legislation on behalf of the General Faculty. The authority to grant final approval on this legislation resides with UT System.

If no objection is filed with the Office of the General Faculty by the date specified below, the legislation will be held to have been approved by the Faculty Council. If an objection is filed within the prescribed period, the legislation will be presented to the Faculty Council at its next meeting. The objection, with reasons, must be signed by a member of the Faculty Council.

To be counted, a protest must be received in the Office of the General Faculty by February 11, 2016.

Hillary Hart, Secretary

General Faculty and Faculty Council

## REQUEST TO ADD A TRANSCRIPT-RECOGNIZED MINOR IN HEALTH COMMUNICATION IN THE MOODY COLLEGE OF COMMUNICATION CHAPTER IN THE UNDERGRADUATE CATALOG, 2016-2018

1.	Type of Proposal	New Transcript-Recognized Minor
		☐ Change an Existing Transcript-Recognized Minor
		☐ Delete a Transcript-Recognized Minor

2. Official Name: Minor in Health Communication

3. Proposed Implementation Date: Fall 2016

4. Field of Study, CIP Code (administrative unit awarding the certificate): 09.0905

**5. Statement of Objective**: The health communication minor is intended to provide undergraduates with a broad understanding of the field. University students who complete the minor will know how a health communication professional operates at the interpersonal, organizational, and population levels.

The minor will help prepare students for health, related careers within communication agencies, hospital administration, public health, and research facilities, among other possibilities, at a time when health, related job opportunities are growing at double, digit rates nationally. Offering this minor allows students from a range of university majors to interact in class while gaining exposure to a field beyond their majors and enhancing their qualifications, knowledge, and appeal to employers.

- **6.** Admissions requirement (if any): This program is open to all University of Texas students. The Moody College reserves the right to limit the number of students accepted into this minor by instituting a competitive application process. Applicants may be judged on such factors as GPA, prior coursework taken, prior experience in the field, and response to essay prompts. Overall UT GPA of 3.0 or above.
- 7. Number of Students Expected to Receive the Transcript-Recognized Minor Each Semester: Nine
- 8. Anticipated Enrollment Capacity? Ninety
- 9. Number of Hours Required for Completion: Sixteen (Five courses and one, credit introductory course)

10. Composition of the Minor Faculty Committee (including the committee chair):

	J.		
Name of Faculty	College/Department	Title at UT Austin	Highest Degree and
Member			Awarding Institution
Brad Love, Chair	ADV and P R	Associate Professor	PhD, Michigan State
Erin Donovan	CMS	Associate Professor	PhD, Illinois
Michael Mackert	ADV and P R	Associate Professor	PhD, Michigan State
Keri Stephens	CMS	Associate Professor	PhD, Texas
Matt McGlone	CMS	Associate Professor	PhD, Princeton

11. Academic Course Requirements: Use this table to identify the courses that qualify for this minor program.

Students must complete 16 hours from the list below, including at least six hours of upper, division coursework.

Course	Course Title	SCH
Abbreviation		
and Number		
* COM 102	Introduction To Health Communication (REQUIRED)	1

One course with an interpersonal communication focus to be selected from:

CMS 330	Interpersonal Health Communication	3
CMS 332K	Argumentation And Advocacy	3
CMS 344K	Lying and Deception	3
CMS 358	Communication and Personal Prelateships	3
HDF 337	Personal Relationships	3
	#HDF 304 and 315L	
HDF	Guidance in Adult, Child Relationships	4
466/WGS 466	#HDF 313 and 113L and three semester hours of upper, division	
	coursework in HDF, EDC, PSY, or SOC	
PHR 370C	Communication Skills for Health Professionals	3

One course with an organizational communication focus selected from:

CMS 341	Digital Communications	3
CMS 353S	Social Media And Organizations	3
CMS 357	Family Communication	3
HDF 304 or	Family Relationships	3
WGS 301.4		
HDF 313 or	Child Development	3
WGS 313	#Credit or registration for HDF 113L, and PSY 301	
HDF 347	Socioeconomic Problems of Families	3
	#Six semester hours of coursework in ANT, ECO, EDC, HDF,	
	PSY, S W, or SOC	
HDF 378L	Theories of Child and Family Development	3
	#HDF 313, 113L, and 315L and three additional semester hours	
	of upper division coursework in HDF	
N 310	Communication in Health Care Settings	3
S W 360K.4	Practicum in Abused and Neglected Children and Families	3
WGS 301.19	Diversity in American Families	3
WGS 301.23	Romantic Relationships and Family Formation	3

Three hours with a population/mass media focus to be selected from:

ADV 319	Psychology of Advertising	3
ADV 378.20	Account Planning	3
	#ADV 344K and 345J	
AMS 370.1 or	American Cultural History of Alcohol and Drugs	3
HIS 350R.5	#Six semester hours of coursework in history	
BIO 361L	Public Health Bacteriology Lab	3
	#BIO 325 or 325H, 226L, and 326M or 326R	
BIO 361P	Public Health Internship	3
	#BIO 226L, and BIO 326M or 326R	
CH 107	Health Professions Seminar	1
CMS 372T	Time Matters	3
ECO 350K.9	Health Economics	3
	#ECO 420K	
EDP 363.3	Human Sexuality	3
	# PSY 301 or another introductory behavioral science course	
EDP 363M.3	Adolescent Development	3
	#Six semester hours of upper, division coursework in EDC or	
	other behavioral sciences

## 12. Other Minor Requirements:

- Six additional hours from either the interpersonal, organizational, or population/mass media options but 3 hours must be outside of the student's major college.
- All classes must be taken on a letter, grade basis.
- The student must maintain a 2.0 GPA in these courses.
- At least nine hours must be completed in residence.

## 13. College/School Approval Process:

Approver: Jay Bernhardt Date: October 20, 2015

Title: Interim Dean, Moody College

#### PROPOSED NEW CATALOG TEXT:

#### **Health Communication Minor**

The Health Communication Minor is intended for any University student interested in advanced study of health communication. Students completing the Minor program will understand how health communication professionals think and be prepared for careers in population health, medical, clinic management, and communication agencies, among others. More information about the Health Communication Minor is available at http://xxxxxx.

This program is open to all University of Texas students. The Moody College reserves the right to limit the number of students accepted into this minor by instituting a competitive application process. Applicants may be judged on such factors as grade point average, prior coursework taken, prior experience in the field, and response to essay prompts.

The minor program requires sixteen semester hours of coursework including nine hours to be completed in residence. Students must fulfill the following requirements:

- 1. Communication 102, Introduction to Health Communication
- 2. Three hours of approved coursework from each of the following areas: interpersonal communication, organizational communication, and population/mass media (the approved area course lists are available below).
- 3. Six additional upper-division hours from these areas of which three of these hours must be from outside the student's major college.
- 4. A grade of at least C in each course counted toward fulfillment of the minor requirements.

#### **Interpersonal communication courses:**

Communication Studies 330, Interpersonal Health Communication

Communication Studies 332K, Argumentation And Advocacy

Communication Studies 344K, Lying and Deception

Communication Studies 358, Communication and Personal Relationships

Human Development and Family Sciences 337, Personal Relationships

Human Development and Family Sciences 466, Guidance in Adult, Child Relationships or Women and Gender Studies 466, Guidance in Adult, Child Relationships

Pharmacy 370C, Communication Skills for Health Professional

### **Organizational communication courses:**

Communication Studies 341, Digital Communications

Communication Studies 353S, Social Media And Organizations

Communication Studies 357, Family Communication

<u>Human Development and Family Sciences 304, Family Relationships or Women and Gender Studies 301.4, Family Relationships</u>

Human Development and Family Sciences 313, Child Development or Women and Gender Studies 313, Child Development

Human Development and Family Sciences 347, Socioeconomic Problems of Families

Human Development and Family Sciences 378L, Theories of Child and Family Development

Nursing 310, Communication in Health Care Settings

Social Work 360K.4, Practice with Abused and Neglected Children and Their Families

Women and Gender Studies 301.19, Diversity in American Families

Women and Gender Studies 301.23, Romantic Relationships and Family Formation

#### Population/Mass Media courses:

Advertising 319, Psychology of Advertising

Advertising 378.20, Account Planning

American Studies 370.1, American Cultural History of Alcohol/Drugs or History 350R.5, American Cultural History of Alcohol/Drugs

Biology 361L, Public Health Bacteriology Lab

Biology 361P, Public Health Internship

Chemistry 107, Health Professions Seminar

Communication Studies372T, Time Matters

Economics 350K.9, Health Economics

Education Psychology 363.3, Human Sexuality

Education Psychology 363M.3, Adolescent Development

Education Psychology 371, Introduction to Statistics

Government 370L, The Politics of Health Care

Geography 356.1, Children's Environmental Health

H S 301, Intro to Health and Society, or Sociology 308S, Intro to Health and Society

<u>Human Development and Family Sciences 313, Child Development or Women and Gender Studies 313, Child Development</u>
