**RESOLUTION FROM STANDING COMMITTEE C-10 RECRUITMENT AND RETENTION
REGARDING RECRUITMENT AND RETENTION OF MINORITY STUDENTS**

On behalf of the Recruitment and Retention Committee, Madeline M. Maxwell (committee chair and professor, communication studies) submitted the following resolution, which will be considered by the Faculty Council at its meeting on April 11, 2016.

Hillary Hart, Secretary
General Faculty and Faculty Council

**RESOLUTION FROM STANDING COMMITTEE C-10 RECRUITMENT AND RETENTION
REGARDING RECRUITMENT AND RETENTION OF MINORITY STUDENTS**

Be it resolved:

1. The Faculty endorse administrative efforts to increase student success. In order for the Faculty to participate fully in efforts to increase the recruitment and retention of minority students, faculty should be kept informed regularly of current administrative efforts and progress in supporting student academic success.
2. The Faculty note that the student population does not reflect the racial/ethnic population of Texas and urges the application of greater resources to recruit students who would expand the student body to better represent the population of this great state, especially at Texas Advanced Partner Schools (TAP Schools).
3. Furthermore, the Faculty endorse and offer their greater involvement in recruitment of students by faculty.
