Campus Mail Code: G1000

Approved by 
Judith H. Langlois, Executive VP and Provost

Dear Dr. Langlois:

Enclosed for your consideration and action are proposed changes to the Health and Society degree program in the College of Liberal Arts chapter in the *Undergraduate Catalog, 2016-2018* (D 14554-14558). The changes were classified as being of *exclusive* interest to only one college or school and were approved by the Faculty Council on a no-protest basis today, May 6, 2016.

On April 19, 2016, the University of Texas System sent a letter stating that "effective today we will discontinue UT System Administration's reflexive review of institutional undergraduate and graduate catalogs". In light of this new policy, final approval of this legislation will come from your office. To be included in the new Undergraduate Catalog for 2016-2018, final approval of changes must be expedited.

Please let me know if you have questions or if I can provide other information concerning these items.

Sincerely,

Hillary Hart, Secretary
General Faculty and Faculty Council
