The Board of Regents met August 24 - 25, 2016. From the meeting there was a significant change to Regents' Rule [20201](#): Presidents. In particular to the policy process, the Vice President for Legal Affairs and the President will have final approval for U.T. Austin's HOP policies. They are no longer required to be sent to UT System for legal review and approval. I have attached an excerpt from the new Rule which outlines the new HOP process for all fourteen institutions.

Thank you again for being a part of this important group and the service you provide to the university. If you have any questions or need additional information, please let me know.
