Dear Ariel:

On March 6, 2017, the Faculty Council nominated three faculty members for membership on the University of Texas at Austin Police Oversight Committee (D 14991). You were among the three nominees and I am pleased to appoint you to serve as a faculty representative for a three-year term beginning September 1, 2017, and extending through August 31, 2020.

The Police Oversight Committee is the principal institutional channel of communication between members of the university community and The University of Texas Police Department (UTPD). The focus of the committee's work may vary from year to year, but the consistent task is to ensure the policies, practices, and operations of the UTPD promote the security and safety of the university community effectively, in ways that are respectful of our constitutional rights and consistent with the core values of the university.

Thank you for your service on this important committee.

Sincerely,
