REPORT OF THE MEMORIAL RESOLUTION COMMITTEE FOR DAVID COHEN

The special committee of the General Faculty to prepare a memorial resolution for David Benjamin Cohen, professor, psychology, has filed with the secretary of the General Faculty the following report.

Sue Alexander Greninger, Secretary
The General Faculty

IN MEMORIAM
DAVID COHEN

David Cohen was a passionate man.
About ideas most of all.
And he wanted to talk about them,
But only if you were serious about ideas too.

He wrote everything down
And wanted to know what you thought.
He listened well, but you had to argue well.
A new take was most appealing. He would run with it.

He shared it all with us in six books.
He shared it with his students
And he tempted and urged us on
We are better now.

Love and friendship were important
Leslie and Jason centered his life
Colleagues warmed into friends
We think about him still.

This memorial resolution was prepared by a special committee consisting of Professors Joseph M. Horn (chair), Marc S. Lewis and John C. Loehlin.

Distributed to the dean of the College of Liberal Arts, the executive vice president and provost, and the president on May 3, 2007. Copies are available on request from the Office of the General Faculty, WMB 2.102, F9500. This resolution is posted under "Memorials" at: http://www.utexas.edu/faculty/council/.
