

Eanes Independent School District requires that the following information be completed before a student teacher can be paid as a substitute teacher during their time as a student teacher for Eanes ISD.

A student teacher must have completed at least six weeks of their student teaching responsibilities before they will be allowed to substitute for the mentor teacher.

You must have permission from the Campus Principal, your University or Program Supervisor and the mentor teacher.

This completed form must be submitted with the Student Teacher Substitute Application.
