4.	a.	If yes, then how would you do so? Do you anticipate a net change in the number of students in your college? If yes, how many more (or fewer) students do you expect? Do you anticipate a net increase (or decrease) in the number of students from outside of classes in your college? If yes, please indicate the number of students and/or class seats involved.					Yes 🗌 No 🛛

If 4 a, b, c, or d was answered with yes, please answer the following questions. If the proposal has potential budgetary impacts for another college/school, such as requiring new sections or a non-negligible increase in the number of seats offered, at least one contact must be at the college-level.

CNS COURSES HEADINGS

How many students do you expect to be impacted?

Impacted schools must be contacted and their response(s) included:

Person communicated with:

Date of communication:

Response:

e. Does this proposal involve changes to the core curriculum or other basic education requirements (42-hour core, signature courses, flags)? If yes, explain:

If yes, undergraduate studies must be informed of the proposed changes and their response included:

Person communicated with:

Date of communication:

Response:

f. Will this proposal change the number of hours required for degree completion?

Note: THECB Semester Credit Hour Change Form required, download from URL:

http://www.thecb.state.tx.us/reports/DocFetch.cfm?DocID=2419&format=doc

If yes, explain:

5. COLLEGE/SCHOOL APPROVAL PROCESS
