### **Applicability of Certain Courses**

#### **Internship Credit**

Some communication degree programs require an internship; in other programs, students may elect to complete an internship. In either case, the student must be a communication major and must meet the prerequisite for the internship course. Up to but no more than four semester hours of credit in internship courses may be counted toward the student's degree.

#### **Physical Activity Courses**

Physical activity (PED) courses are offered by the Department of Kinesiology and Health Education. They are counted among courses for which a student is enrolled, and the grades are included in the grade point average. However, these courses may not be counted toward a degree in the Moody College of Communication.

#### **ROTC Courses**

No more than nine semester hours of credit for air force science, military science, or naval science courses may be counted toward any degree in the Moody College of Communication. Such coursework may be counted only as lower division electives in degree programs that have room for such electives, and only by students who have completed the third and fourth years of the ROTC program. ROTC courses may not be substituted for any specific required course.

#### **Concurrent Enrollment and Correspondence and Extension Courses**

Credit that a University student in residence earns simultaneously by correspondence or extension from the University or elsewhere or in residence at another school will not be counted toward a degree in the Moody College of Communication unless specifically approved in advance by the dean. Requests to take communication courses by correspondence or extension are normally disapproved. A student in his or her final semester may not enroll concurrently at another institution in any course that is to be counted toward the degree. No more than 30 percent of the semester hours required for any degree offered in the Moody College of Communication may be taken by correspondence.

#### **Courses Taken on the Pass/Fail Basis**

A student in the Moody College of Communication may count toward the degree up to 15 semester hours of coursework in elective subjects outside the Moody College of Communication taken on the pass/fail basis. No course required for the degree and taken in residence may be taken pass/fail, unless the course is offered only on that basis. The student may also take examinations for credit in elective subjects on the pass/fail basis; credit earned by examination is not counted toward the total of five courses that the student may take on this basis. If a student chooses to major in a subject in which he or she has taken a course pass/fail, the academic unit that offers the major determines whether the course may be counted toward the student's major requirements. Complete rules on registration on the pass/fail basis are given in *General Information*.

#### **Bible Courses**

No more than 12 semester hours of Bible courses may be counted toward a degree.

#### **Moody College Honors Program**

The Moody College Honors Program is dedicated to the *life of the mind* and the *life of the community*, preparing well-rounded thinkers and responsible leaders for a complex and diverse world of communication and media. It is a four-year enrichment program designed for undergraduates majoring in the Moody College and meant to supplement a student's major by counting toward college or degree electives.
