Instructions:

Rate each observable behavior; then, rate the component as a whole. The components are characterized, but are not limited to the observable behaviors that follow. It is important to cite specific examples of the observed behaviors as supporting evidence at the end of each of the four clusters. A rating of NI in any of the areas marked with an "*" may result in a grade of "F" in the student teaching practicum course or immediate termination of the Professional Development Sequence.

<u>Overall Components:</u>					
A/D = Accomplished/Distinguished; observable behaviors are <u>exceptional</u> and distinctly superior for a student teacher.	P = Proficient; observable behaviors are <u>consistently</u> seen.	D = Developing; observable behaviors are seen more <u>frequently</u> , but not seen consistently.	NI = Needs Improvement; observable behaviors are <u>never, rarely, or occasionally</u> seen	N/A = Not applicable to person completing form	N/O = Not observed by person completing form
