

Key Policy

All employees with access privileges through secured doors must safeguard their keys and ensure that they are not used indiscriminately. Failure to return, loss or misuse of a key is a serious offense, which will result in an \$88.00 fee per key, and if you are a student, a bar may be placed on your record which could impact your registration/transcript. If keys are lost, they must be reported to the supervisor and Sean Hill immediately.

****Please note that the mentioned fine is separate from the UT Lock & Key Services policy as it is a KHE policy. Lost keys may incur additional fines beyond those assessed by KHE.**

You will have **30 days** from the date the key request is approved to pick up your key from Locks & Keys. Failure to pick up your key within the deadline will result in an \$18.25 fee. You are responsible for covering the fee either with UT funds or your personal funds.
