INSTRUCTIONS AND INFORMATION

Purpose of Form: An organization that is required to file an information return with the IRS must obtain your correct Taxpayer Identification Number (TIN) in order to report income paid to you. The TIN is either the payee's Social Security Number (SSN) or Employer Identification Number (EIN) or, for foreign individuals residing but not working inside the United States, an Individual Taxpayer Identification Number. Nonresident alien information must be obtained to determine the payee's tax status for compliance with IRS withholding and reporting requirements. The additional information for other payee types is needed to satisfy State of Texas requirements for establishing vendor records. Also see <https://www.irs.gov/pub/irs-pdf/fw9.pdf> for detailed instructions.

Taxpayer Name and Number Specific Instructions: To prevent payments from being subject to backup withholding, you must provide a correct TIN. A TIN is considered incorrect if the name and TIN combination does not match or cannot be found on IRS or Social Security Administration (SSA) records.

Exemptions: See <https://www.irs.gov/pub/irs-pdf/fw9.pdf> for detailed instructions.

Historically Underutilized Businesses (HUB): The State of Texas is encouraging state agencies to utilize these businesses. You or your firm qualifies if 51% owned by a person or persons who have been historically underutilized because of their identification as a member of certain groups: Black Americans, Hispanic Americans, Asian-Pacific Americans, Native Americans, or Women-any ethnicity. To obtain a certification form, contact the U.T. HUB Office at 471-2863.
