

# Taking Stock of My Grades

Use this worksheet to determine where you're at now grade-wise in your classes. After completing for each class, *prioritize* your study time for these classes in order to meet your academic goals this semester.

**Prioritizing:** *Based on my current grade, the % of my grade still to come, and the importance of each class to me and my future, I would prioritize my study time for my courses in the following order:*

1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_ 4. \_\_\_\_\_ 5. \_\_\_\_\_

**Example:** Business

**Grades in this class thus far (and % of my grade):**

Exam 1 – 73 (= 15% of my grade)

Exam 2 – 75 (= 15% of my grade)

Exam 3 – 80 (= 15% of my grade)

Homework – 72, 75, 90, 80, 95, ~ Avg 82 (= 10% of my grade)

Project – 82 (= 20% of my grade)

**% of my grade in now:** 75% **Approximate grade:** C+/B- **% to come:** 25% (Final)

**Importance of this class to me on a 1 (low) to 10 (high) scale:** 8

How important is it to my major? *High, it's my major/I need it to take upper division*

How much will it impact my GPA? *Medium; it's a 3-hour class (but my Spanish is 5!)*

How relevant is it to my future? *Very, I want to work in international business*

Other? *I'd like to do well b/c this professor can help get students find internships*

**Course 1:** \_\_\_\_\_
