Posting: private practice positions in CT

Connecticut Behavioral Health, LLC www.ctbehavioralhealth.com is seeking licensed psychologists, license-eligible psychologists, LCSWs, LMFTs, and LPCs for private practice positions with many professional opportunities. The positions are multifaceted, with aspects of psychological evaluation, treatment, faculty training, and consultation.

Psychologist Position One:
The ideal candidate will possess strong clinical skills in working with children, adolescents, families, and adults dealing with a wide variety of psychological disorders. Opportunities also exist for evaluation and consultation with school districts. This position involves primarily outpatient psychotherapy. Full caseload of clients will be provided. Outstanding compensation and health benefits package.

Psychologist Position Two:
The ideal candidate will possess a strong behavioral background and training in order to provide functional behavioral assessments, behavioral intervention programs, and trainings on a consultative basis to school districts, state organizations, and developmental centers. Consultation will also include educational program development utilizing aspects of applied behavioral analysis to assist children with emotional, behavioral, and autistic spectrum disorders. Experience in the evaluation and treatment of individuals with developmental disabilities and autism spectrum disorders is desirable. Outstanding compensation and health benefits package.

Licensed Clinical Social Worker (LCSW), Licensed Professional Counselor (LPC), or Licensed Marriage Family Therapist (LMFT) Position:
Position Responsibilities: LCSWs, LPCs, and LMFTs will conduct child, adolescent, adult, and family therapy. Applicants should have ample experience treating a wide variety of child and adolescent issues as the practice’s client population is predominantly children and adolescents. Experience treating Disruptive Behavior Disorders, ADHD, Autism Spectrum Disorders, Anxiety, and Depression is needed. Positions also provide opportunities for school consultation and working with a school refusal population.
