How to burn an audio cd with ITunes

1.   Open Itunes
2.   Click >File>New Playlist or click "apple N"
3.   Name your playlist to Your "CD's Name" you choose what you want your CD be called.

4. Check the Preferences go to >ITunes>Preferences>Advanced>CD burning tab and make sure the settings are set to this (fig.below)
Then click OK

4.   Now drag your bounced track or audio tracks into the playlist area from the Storage Drive or wherever the files are located.

and click the Burn Disc button at the bottom right corner of the ITunes window

ITunes will prompt you to insert your blank CD and ITunes will burn your audio CD
