INTERAGENCY MAIL

Dear Dr. McInnis:

I received notification from the The University of Texas at Austin of its plan to phase out the following certificate program effective February 6, 2018:

- CER in Supply Logistics Optimization (52.0205.00).

In accordance with the Southern Association of Colleges and Schools, Commission on Colleges (SACSCOC) Policy Statement "Substantive Changes for Accredited Institutions of the Commission on College," which is aligned with the U.S. Department of Education requirements, member institutions are required to seek approval prior to initiating substantive changes, such as closing a degree program. In particular, institutions must receive approval of a closing program's teach-out plan before discontinuing admission of new students. Your institution is expected to notify the Coordinating Board if the final date of the teach-out period is not approved by SACSCOC.

Enclosed is an Information Sheet for your reporting official.

Sincerely,

A handwritten signature in blue ink that reads "Rex C. Peebles".

Rex C. Peebles

Enclosure
