Dean Michelle Addington in the School of Architecture has filed with the Secretary of the Faculty Council the following proposal to change the Admission and Registration Section in the School of Architecture chapter in the *Undergraduate Catalog, 2018-2020*. In April 2016, the Undergraduate Program Committee, the School of Architecture faculty, and the Dean approved the proposal. The Secretary has classified this proposal as legislation of exclusive interest to a single college or school.

The Committee on Undergraduate Degree Program Review recommended approval of the major on December 14, 2017, and forwarded it to the Office of the General Faculty. The Faculty Council has the authority to approve this legislation on behalf of the General Faculty. The authority to grant final approval on this legislation resides with the Provost on behalf of the President.

If no objection is filed with the Office of the General Faculty by the date specified below, the legislation will be held to have been approved by the Faculty Council. If an objection is filed within the prescribed period, the legislation will be presented to the Faculty Council at its next meeting. The objection, with reasons, must be signed by a member of the Faculty Council.

To be counted, a protest must be received in the Office of the General Faculty by January 15, 2018.

2. EXPLAIN CHANGE TO DEGREE PROGRAM AND GIVE A DETAILED RATIONALE FOR EACH INDIVIDUAL CHANGE:

The third-year portfolio review statement is revised because it is now a two-semester requirement for Bachelor of Architecture students, and a one-semester requirement for Bachelor of Science in Architectural Studies students. Students will get initial feedback at the end of the fall semester that is intended to allow the entire spring semester for them to work on the skills where they are least strong, so that they successfully pass the second portfolio review at the end of the spring semester. Intermediate studio 4 is the third-year spring semester course for Bachelor of Architecture students, but is not a requirement for the Bachelor of Science in Architectural Engineering. If the fall portfolio review indicates substantial lack of skill, a student may use the winter break to assess whether the faster route to degree is to switch to the Bachelor of Science in Architectural Studies. Interior Design's portfolio review remains as it has been.
