2. EXPLAIN CHANGE TO DEGREE PROGRAM AND GIVE A DETAILED RATIONALE FOR EACH INDIVIDUAL CHANGE:
   1. Add M305G or Calculus as required math courses for Applied Movement Science majors.

PROPOSAL TO CHANGE THE EXERCISE SCIENCE MAJOR IN THE BACHELOR OF SCIENCE IN KINESIOLOGY AND HEALTH DEGREE PROGRAM IN THE COLLEGE OF EDUCATION CHAPTER IN THE UNDERGRADUATE CATALOG 2018-2020

Dean Manuel J. Justiz in the College of Education has filed with the Secretary of the Faculty Council the following proposal to change the Exercise Science major in the College of Education chapter in the Undergraduate Catalog, 2018-2020. On February 14, 2017, the Kinesiology and Health Education (KHE) Undergraduate Advisory Committee approved the proposal; it was approved by the College of Education Curriculum Committee on March 20, 2017; and by Dean Justiz on September 27, 2017. The Secretary has classified this proposal as legislation of general interest to more than one college or school.

The Committee on Undergraduate Degree Program Review recommended approval of the proposal on March 7, 2018, and forwarded it to the Office of the General Faculty. The Faculty Council has the authority to approve this legislation on behalf of the General Faculty. The authority to grant final approval on this legislation resides with the Provost on behalf of the President.

If no objection is filed with the Office of the General Faculty by the date specified below, the legislation will be held to have been approved by the Faculty Council. PROPOSAL TO CHANGE THE EXERCISE SCIENCE MAJOR IN THE BACHELOR OF SCIENCE IN KINESIOLOGY AND HEALTH DEGREE PROGRAM IN THE COLLEGE OF EDUCATION
CHAPTER IN THE UNDERGRADUATE CATALOG 2018-2020

TYPE OF CHANGE:  ☑ Academic Change
☐ Degree Program Change (THECB form required)

PROPOSED CLASSIFICATION:  ☐ Exclusive  ☑ General  ☐ Major

1. IF THE ANSWER TO ANY OF THE FOLLOWING QUESTIONS IS YES, THE COLLEGE MUST CONSULT LINDA DICKENS, DIRECTOR OF ACCREDITATION AND ASSESSMENT, TO DETERMINE IF SACS COC APPROVAL IS REQUIRED.
   • Is this a new degree program?  Yes ☐ No ☑
   • Is this program being deleted?  Yes ☐ No ☑
   • Does the program offer courses that will be taught off campus?  Yes ☐ No ☑
   • Will courses in this program be delivered electronically?  Yes ☐ No ☑

2. EXPLAIN CHANGE TO DEGREE PROGRAM AND GIVE A DETAILED RATIONALE FOR EACH INDIVIDUAL CHANGE:
   1. Add M 408N as one of the calculus options for the math requirement.
      Rationale: Exercise Science majors are required to take calculus and since some take M 408N, we wanted to include it as an option with the other classes.
   2. Remove PHY 302L from the natural science requirement and add PHY 102M
      Rationale: The KHE Department is hoping to create some room for general electives, so they approved removing the second PHY class from the science requirements. PHY 102M (lab) is a prerequisite for PHY 302K, so the Legislative Review Committee recommended that it be added to the text with PHY 302K.
   3. Remove KIN 338 from the list of options in the “Three hours chosen from…” list.
      Rationale: KIN 338 hasn’t been offered consistently, so the Exercise Science faculty chose to remove it from this list.
   4. Correcting the name of “Kinesiology Advising Center” in 2e and #3.
      Rationale: The Bellmont 1005 office is the satellite office of the Student Dean’s Office, so removing “Kinesiology Advising Center” corrects that distinction.

3. THIS PROPOSAL INVOLVES: (Please check all that apply)
   ☑ Courses in other colleges  ☐ Courses in proposer’s college that are frequently taken by students in other colleges  ☐ Flags
   ☐ Course in the core curriculum  ☐ Change in course sequencing for an existing program  ☐ Courses that have to be added to the inventory
   ☐ Change in admission requirements (external or internal)  ☑ Requirements not explicit in the catalog language (e.g., lists of acceptable courses maintained by department office)

2. EXPLAIN CHANGE TO DEGREE PROGRAM AND GIVE A DETAILED RATIONALE FOR EACH INDIVIDUAL CHANGE:
   1. Rearrange the order of the majors listed in the first and second paragraphs.  
      Rationale: This will list all the majors in alphabetical order.
   2. Change the name of the “Health Promotion” major in the first and second paragraph of the Kinesiology chapter to “Health Promotion and Behavioral Science”.  
      Rationale: The name change was approved for the 2016-18 catalog and corrected in all the other areas of the Kinesiology chapter except these two paragraphs.
   3. Update the description of the applied movement science major in the second paragraph to include the new track for physical education teacher certification.  
      Rationale: The applied movement science major has multiple career options now, not just physical education teacher certification. If a student wants to become certified to teach physical education, the only way that can occur is if they complete a physical activity education track which was approved by the KHE department.
   4. Update the description of the health promotion and behavioral science major in the second paragraph.  
      Rationale: The health promotion and behavioral science faculty wanted to update the description of their major to reflect the name change.
   5. Update the description of the sport management major.  
      Rationale: Add the word “entertainment” to the description of the sport management major since some sport management majors seek careers in the entertainment industry.
   6. Correcting the name of “Kinesiology Advising Center” at the end of the paragraph three.  
      Rationale: The Bellmont 1005 office is the satellite office of the Student Dean’s Office, so removing “Kinesiology Advising Center” corrects that distinction.
   7. Remove the KHE courses listed in the Flag section of the Core Curriculum area.  
      Rationale: The classes currently listed are no longer required in all of the KHE degree plans, so we want to remove them from this area.
