Change "Six hours of health promotion electives" to "Six hours of health promotion and behavioral science electives". Rationale: The name change of the major was approved for the 2016-18 catalog and corrected in all the other areas of the Kinesiology and Health chapter except this area. 2. Correcting the name of "Kinesiology Advising Center" in #3. Rationale: The Bellmont 1005 office is the satellite office of the Student Dean's Office, so removing "Kinesiology Advising Center" corrects that distinction.
