Dean Manuel J. Justiz in the College of Education has filed with the Secretary of the Faculty Council the following proposal to change the Athletic Training degree program in the College of Education chapter in the Undergraduate Catalog, 2018-2020. On February 14, 2017, the Kinesiology and Health Education Undergraduate Advisory Committee approved the proposal; it was approved by the College of Education Curriculum Committee on March 20, 2017; and by Dean Justiz on September 27, 2017. The Secretary has classified this proposal as legislation of general interest to more than one college or school.

The Committee on Undergraduate Degree Program Review recommended approval of the proposal on March 7, 2018, and forwarded it to the Office of the General Faculty. The Faculty Council has the authority to approve this legislation on behalf of the General Faculty. The authority to grant final approval on this legislation resides with the Provost on behalf of the President.

If no objection is filed with the Office of the General Faculty by the date specified below, the legislation will be held to have been approved by the Faculty Council. If an objection is filed within the prescribed period, the legislation will be presented to the Faculty Council at its next meeting. The objection, with reasons, must be signed by a member of the Faculty Council.

To be counted, a protest must be received in the Office of the General Faculty by April 3, 2018.

Alan W. Friedman, Secretary of the General Faculty and Faculty Council
The University of Texas at Austin
Arthur J. Thaman and Wilhelmina Doré Thaman Professor of English and Comparative Literature
PROPOSAL TO CHANGE THE BACHELOR OF SCIENCE IN ATHLETIC TRAINING DEGREE PROGRAM IN THE COLLEGE OF EDUCATION CHAPTER IN THE UNDERGRADUATE CATALOG 2018-2020

TYPE OF CHANGE: ☑ Academic Change
☐ Degree Program Change (THECB form required)

PROPOSED CLASSIFICATION: ☐ Exclusive ☑ General ☐ Major

1. IF THE ANSWER TO ANY OF THE FOLLOWING QUESTIONS IS YES, THE COLLEGE MUST CONSULT LINDA DICKENS, DIRECTOR OF ACCREDITATION AND ASSESSMENT, TO DETERMINE IF SACSCOC APPROVAL IS REQUIRED.
   - Is this a new degree program? Yes ☐ No ☑
   - Is this program being deleted? Yes ☐ No ☑
   - Does the program offer courses that will be taught off campus? Yes ☐ No ☑
   - Will courses in this program be delivered electronically? Yes ☐ No ☑

2. EXPLAIN CHANGE TO DEGREE PROGRAM AND GIVE A DETAILED RATIONALE FOR EACH INDIVIDUAL CHANGE:
   1. Add KIN 320 to the Core Curriculum statement about Quantitative Reasoning Flag. Remove HED 329K from the Cultural Diversity flag statement. Remove KIN 347 from the Core curriculum statement about the Ethic and Leadership flag course and add KIN 346 in its place.
      Rationale: KIN 320 carries the QR Flag and is required in the Athletic Training degree plan so it should be listed in this area. HED 329K isn’t required in the Athletic Training degree plan, so we’re removing it from this statement. KIN 347 isn’t a required course in the Athletic Training degree plan, so we’re replacing it with KIN 346 which is required in the Athletic Training degree plan so it should be listed as the EL Flag.
   2. Remove statistics as one of the math options required for Athletic Training majors.
      Rationale: M 305G or Calculus are the prerequisites for one of the Athletic Training major courses, KIN 320, so the Athletic Training faculty voted to remove statistics since it won’t satisfy the KIN 320 prerequisite.
   3. Add KIN 330E Sport Nutrition to the list of Nutrition course options under area ‘c’ of the Prescribed coursework.
      Rationale: The KHE Department reintroduced KIN 330E Sport Nutrition as part of its regular course offerings to our students in spring ’17 and will now be offered on a regular basis.
   4. Add “techniques” to the title of KIN 344U Therapeutic Exercise and Rehabilitation: Upper Body.
      Rationale: The KHE Department is adding the word “techniques” to KIN 344U in the Course inventory so that it correctly pairs with KIN 344 Therapeutic Exercise and Rehabilitation Techniques: Lower Body. The new title for KIN 344U will be KIN 344U Therapeutic Exercise and Rehabilitation Techniques: Upper Body

3. THIS PROPOSAL INVOLVES: (Please check all that apply)
   ☑ Courses in other colleges ☑ Courses in proposer’s college that are frequently taken by students in other colleges ☑ Flags
  ☐ Course in the core curriculum ☐ Change in course sequencing for an existing program ☐ Courses that have to be added to the inventory
   ☐ Change in admission requirements (external or internal) ☑ Requirements not explicit in the catalog language (e.g., lists of acceptable courses maintained by department office)

4. SCOPE OF PROPOSED CHANGE:
   a. Does this proposal impact other colleges/schools? Yes ☑ No ☐
      If yes, then how would you do so? Approximately fifteen to twenty students a year would not take statistics and approximately twenty-five students a year would not take NTR 306 or 312.
b. Do you anticipate a net change in the number of students in your college?  
  Yes ☐ No ☐  
  If yes, how many more (or fewer) students do you expect?

c. Do you anticipate a net increase (or decrease) in the number of students from outside of your college taking classes in your college?  
  Yes ☐ No ☐  
  If yes, please indicate the number of students and/or class seats involved.

d. Do you anticipate a net increase (or decrease) in the number of students from your college taking courses in other colleges?  
  Yes ☐ No ☐  
  If yes, please indicate the number of students and/or class seats involved.  
  A decrease of approximately fifteen to twenty students a year would not take statistics and a decrease of twenty-five students a year would not take NTR 306 or 312.

If 4 a, b, c, or d was answered with yes, please answer the following questions:

If the proposal has potential budgetary impacts for another college/school, such as requiring new sections or a non-negligible increase in the number of seats offered, at least one contact must be at the college-level.

  How many students do you expect to be impacted? Approximately twenty-five students per year would not take NTR 306/312. Approximately twenty to twenty-five students/year would take M 305G.  

  Impacted schools must be contacted and their response(s) included:  
  Person communicated with: Dr. Chris Jolly, Associate Professor, Nutritional Sciences Graduate Chair  
  Date of communication: March 22, 2017  
  Response: “Sounds fine. I don’t think it will impact us.”

  Person communicated with: Dr. David Vandenbout, Associate Dean, College of Natural Sciences  
  Date of communication: September 29, 2017  
  Response: “I’m ok with this.”

e. Does this proposal involve changes to the core curriculum or other basic education requirements (42-hour core, signature courses, flags)? If yes, explain: No

If yes, Undergraduate Studies must be informed of the proposed changes and their response included:

  Person communicated with:  
  Date of communication:  
  Response:

f. Will this proposal change the number of hours required for degree completion? No

Note: THECB Semester Credit Hour Change Form required, download from URL:  
If yes, explain:

5. COLLEGE/SCHOOL APPROVAL PROCESS
  Department approval date: February 14, 2017  
  KHE Undergraduate Advisory Committee  
  College approval date: March 20, 2017  
  College of Education Curriculum Committee  
  Dean approval date: September 27, 2017  
  Dean Manuel J. Justiz

PROPOSED NEW CATALOG TEXT:

BACHELOR OF SCIENCE IN ATHLETIC TRAINING

Core Curriculum

1. Writing: three flagged courses beyond Rhetoric and Writing 306 or its equivalent. Kinesiology 346 carries a writing flag.

3. Global cultures: one flagged course

4. Cultural diversity in the United States: one flagged course. [Health Education 329K carries a cultural diversity in the United States flag]
5. Ethics and Leadership: one flagged course. Kinesiology 344U carries an ethics and leadership flag
6. Independent Inquiry: one flagged course

Prescribed Work

3. Mathematics: Mathematics 305G or calculus [or coursework in statistics]. Mathematics 305G and several calculus [and statistics] courses may also be counted toward the mathematics requirement of the core curriculum.
4. Natural science: Many courses that fulfill this natural science requirement may also be counted toward the science and technology requirements of the core curriculum.
   c. KIN 330E Sport Nutrition, Nutrition 306 or 312

Major Requirements

1. The following courses:
   ...j. Kinesiology 344U, Therapeutic Exercise and Rehabilitation Techniques: Upper Body

{no further changes}
