

DOCUMENTS OF THE GENERAL FACULTY

**STANDING COMMITTEES OF THE GENERAL FACULTY
2017-2018**

The Office of the President of The University of Texas at Austin has filed with the Secretary of the General Faculty the following list of Standing Committees of the General Faculty for 2017-18.

Alan W. Friedman, Secretary
General Faculty and Faculty Council

TYPE A: FACULTY AFFAIRS**A-1 Committee of Counsel on Academic Freedom and Responsibility**

FUNCTION: To study problems in this area of concern; to advise on such problems or issues referred to it by any member of the faculty, the Provost, the President, the Chancellor, or the Board of Regents.

COMPOSITION: Seven members chosen at large from and by the voting members of the General Faculty for three-year staggered terms. In addition, every year the Chair of the Faculty Council shall appoint two voting faculty members of the Faculty Council for one-year terms. Deans, associate deans, assistant deans, department chairs, and other administrative officials are ineligible for election or appointment. The committee shall elect its own Chair and Vice Chair who shall be voting faculty members of the committee. The committee shall always contain a faculty member from the Law School by election or, if no Law School faculty member is elected, by appointment.

FACULTY MEMBERSHIPCHAIR AND CHAIR ELECT

Brian L. Evans, Professor, Electrical and Computer Engineering¹

VICE CHAIR ELECT

Hannah C. Wojciehowski, Professor, English

2015-2018

Linda E. Reichl, Professor, Physics

Hannah C. Wojciehowski, Professor, English

2016-2019

Ann Cvetkovich, Professor, English

Alan W. Friedman, Professor, English

Desmond F. Lawler, Professor, Civil, Architectural, and Environmental Engineering

2017-2020

Jennifer V. Ebbeler, Associate Professor, Department of Classics

Richard Lowery, Associate Professor, Department of Finance² (

2017-2018 FACULTY COUNCIL REPRESENTATIVES

Martha F. Hilley, Professor, Music

David W. Robertson, Professor, Law

A-2 Faculty Advisory Committee on Budgets

FUNCTION: The committee will serve in an advisory capacity to the President and Provost. The committee will review University budgets and make appropriate recommendations.

COMPOSITION: Each year the President shall nominate five voting members of the General Faculty, and the Faculty Council shall nominate five voting members of the General Faculty, and each shall select two new members from the other's nominations to serve three-year terms. In addition, every year the Chair of the Faculty Council shall appoint two voting faculty members of the Faculty Council for one-year terms. Each year, the committee shall elect its own Chair and Vice Chair who shall be voting faculty members of the committee.

¹ Continuing as Committee Chair in 2017-18.

² Replaced Eric Price, Assistant Professor, Department of Computer Science

FACULTY MEMBERSHIP

C-5 Faculty Building Advisory Committee

FUNCTION: To represent the faculty, staff, and students in matters related to the planning and programming of buildings. The committee shall solicit and serve as the conduit for campus-wide faculty input into the nature and direction of existing building initiatives and the broader building planning process on campus and convey those concerns to all affected stakeholders. The committee will monitor the proposed and actual responses to these faculty concerns in the design and construction of new and significantly renovated buildings, and it shall report both the concerns and the responses to the president and periodically to the Faculty Council. No less than annually will the committee meet separately with representatives of extant master planning and public arts committees. A representative of the committee (generally, the chair) shall serve on the Campus Master Planning Committee, or its equivalent. A member of the committee may, when appropriate, be appointed by the president as a voting member to a special committee created during the preparation of the preliminary plans for the erection of a particular building, to serve until the completion thereof.

COMPOSITION: Nine voting members of the General Faculty, including a representative from the School of Architecture, and one member of the University staff, all appointed by the President for five-year terms. Two undergraduate students appointed by the President from a panel of names submitted by Student Government, and one graduate student from a panel submitted by the Graduate Student Assembly. Students shall serve one-year terms and shall be eligible for reappointment. The students may not be from the same college or school. In

addition, every year the Chair of the Faculty Council shall appoint two voting faculty members of the Faculty Council for one-year terms. Each year, the committee shall elect its own Chair and Vice Chair who shall be voting faculty members of the committee. The Senior Vice President of Financial and Administrative Services or a delegate shall be an *ex officio* member. The UT System Associate Vice Chancellor for Facilities Planning and Construction and a representative from the Office of Campus Planning and Facilities Management shall serve as administrative advisers without vote.

David L. Rea, Associate Vice President for Campus Planning and Project Management

C-6 International Programs and Studies Committee

FUNCTION: To advise the Faculty Council and the Executive Vice President and Provost on policies and procedures pertinent to the development, implementation, and operation of international programs at The University and pedagogical and research programs involving overseas study and/or work with internationally-oriented agencies.

COMPOSITION: Five voting members of the General Faculty for three-year staggered terms and two students. At least one faculty member of the committee shall be a member of a foreign language department. One student member shall be appointed by the President from each of the panels submitted by Student Government and the Senate of College Councils. In addition, every year the Chair of the Faculty Council shall appoint two voting faculty members of the Faculty Council for one-year terms. Each year, the committee shall elect its own Chair and Vice Chair who shall be voting faculty members of the committee. The President, through delegation authority to the Executive Vice President and Provost, shall appoint annually, as administrative advisers without vote, the Vice Provosts for Undergraduate Studies and for Graduate Studies, one person selected from the academic associate deans of the colleges and schools, one person selected from among the directors of UT Austin area studies centers, and one person selected from among the assistants to the UT Austin administration in the area of international programs and related student services.

C-7 University of Texas Libraries Committee

FUNCTION: To become well informed concerning the functions of the University of Texas Libraries, including the branch libraries. To advise in development of policies and procedures; to advise the Librarian, the Faculty Council and the President concerning the direction and growth of the University of Texas Libraries; to advise the President in the event it becomes necessary to appoint a new Librarian.

COMPOSITION: Eight voting members of the General Faculty for three-year staggered terms, three staff members for two-year staggered terms, and seven students. Staff members shall be appointed by the President from a panel of names submitted by the Staff Council and shall include two research staff representatives. Two students shall be appointed by the President from a panel of names submitted by Student Government, three from a panel submitted by the Senate of College Councils, and two from a panel submitted by the Graduate Student Assembly. In addition, every year the Chair of the Faculty Council shall appoint two voting faculty members of the Faculty Council for one-year terms. Each year, the committee shall elect its own Chair and Vice Chair who shall be voting faculty members of the committee. The Director of the University of Texas Libraries shall serve as administrative adviser without vote. Heads of other administrative units on campus that include library programs and services shall be invited to provide comment and information as the need arises.

C-13 Information Technology Committee

FUNCTION: To recommend to the President, and to the VicePresident for information technology, and to the Faculty Council changes in policies regarding information technology; to consult with and advise the chief information officer¹⁷ about policies and procedures pertaining to information technology at the University.

COMPOSITION: Fifteen voting members of the General Faculty, thirteen of which will serve three-year staggered terms. In addition, every year the Chair of the Faculty Council shall appoint two voting faculty members of the Faculty Council for one-year terms. Eight of the faculty members will be from college/school faculty information technology (IT) committees and will rotate among the colleges and schools that have faculty IT committees. As an IT faculty term expires, the Deans of colleges/schools with faculty IT committees will send the name of a faculty member of the IT committee to the Committee on Committees. The remaining five faculty members will be selected through the regular procedures of the Committee on Committees (see HOP 2-1040 section B). The Committee on Committees will submit all faculty recommendations/nominations, including the IT panel, to the President for appointment. There will be four staff members appointed for two-year staggered terms. At least two of the staff member representatives shall not be employed in IT-related areas. The President shall appoint three student members for one-year terms, one from each panel of names submitted by Student Government, the Senate of College Councils, and the Graduate Student Assembly. Each year, the committee

C-14 Technology-Enhanced Education Oversight Committee¹⁹

FUNCTION: To evaluate and formulate policy on technology-enhanced education and make recommendations on such matters to the Faculty Council and to the University's Steering and Strategic Policy Committees on Technology-Enhanced Education. To ensure that initiatives in technology-enhanced education further the University's mission to be a University of the first rank by reviewing the following:

- programmatic proposals;
- technology-enhanced courses and curricula offered by the University and certificates and degrees Associated with such
- academic quality of other on-line resources
- use of on-line materials for credit toward University degrees (including transfer credits and dual credits)
- overall impact of such offerings on workload, intellectual property, and promotion/tenure issues for faculty and instructional staff
- student issues, such as privacy

COMPOSITION: Five voting members of the General Faculty for three-year staggered terms appointed by the President through the regular procedures of the Committee on Committees, two staff members for two-year staggered terms from college or departmental student development/advising staff (and each from different colleges/schools), and three student members. The President shall appoint one from a panel of names submitted by the Senate of College Councils, one from a panel of names submitted by Student Government, and one from a panel of names submitted by the Graduate Student Assembly. The Graduate Student Assembly panel shall include at least one graduate student who is or has served as an Assistant instructor or teaching Assistant in an undergraduate course at the University (and all those on the list who meet this criterion shall be indicated). The students shall be from different colleges or schools. Each year the Chair of Faculty Council shall appoint two voting members of Faculty Council for one-year terms. One of these faculty members should be from the C4-Educational Policy Committee and one from the Faculty Council Executive Committee. Each year the Chair of the Graduate Assembly shall appoint one voting member from the Academic Committee of the Graduate Assembly for a one-year term. Each year the committee shall elect its own Chair and Vice Chair from among the voting faculty members of the committee. Two members of the Provost's senior staff shall serve as ex-officio members without vote. They should include the Vice Provost for Higher Education Policy and the Chair of the Steering Committee on Technology-Enhanced Education. The President will appoint three representatives from the following list to serve as administrative advisers without vote (only one representative per category):

Center for Teaching and Learning
 College and School Instructional Technology Services
 College and School Academic Affairs Associate/Assistant Dean
 Graduate School (Associate/Assistant Dean for Academic Affairs)
