

_____ Semester, 20 _____

First Year Review: Student Report

Learning Technologies

Name: _____ UT EID: _____ Hrs Completed: _____

Email: _____

Semester during which your doctoral study began at UT - Austin: _____

Specify any condition(s) you were admitted under & indicate if you have met the condition(s):

None

Condition(s) _____	Met	Not yet
_____	Met	Not yet
_____	Met	Not yet

I. Progress in program:

A. Courses completed (Attach a completed advising form.)

B. Please check the following:

At least 9 hours of L.T. courses completed?	Yes	No
All courses taken for a letter grade?	Yes	No
Grade point average of 3.5 or higher?	Yes	No
At least one course in Department Research Methodology Requirements	Yes	No

Any Notes:

C. Completion of IRB training: Yes No

II. Research Goal Statement:

Please attach a statement of your research goals and plans, your research involvement so far, and possible topics that you are seriously considering for dissertation research. Your statement should be no more than 2 single-spaced pages.

III. Sample of your work:

Please attach one presentation, publication, or class paper that best demonstrates your research competencies. *Please note* that as part of your MidProgram Review, you will have to provide a completed research study for review.

IV. Conference Presentation Plan:

Document, in APA style, what conference presentation(s) you have made, proposal(s) already submitted, and/or plan to submit, since you started your doctoral program.

A few major conferences in LT area include:

- Information on various conferences sponsored by Association for the Advancement of Computing in Education can be found at: <http://www.aace.org/conf/>
- Information about American Educational Research Association (AERA) meetings is available at: <http://aera.net/>.
- Information about national Association for Educational Communications and Technology (AECT) conference is available at: <http://www.aect.org/>.
- Information about ISTE conference is at <http://www.iste.org/conferences/iste-conference>.

Please note that for your Mid-Program Review, you will be required to have presented at one conference at least. It is encouraged you present at a conference (international, national, regional, or local) once a year.
