

Thesis M.S.E. Program of Work

2019-2021 Catalog

This Program of Work meets the Biomedical Engineering Coursework M.S.E. Degree requirements for students who enter the program Fall 2019 to Summer 2021. Email your completed form in PDF format to the BME Graduate Coordinator or drop off a hard copy to BME 3.308 AF. Incomplete forms will not be accepted.

Name: _____ **UT EID:** _____ **Date:** _____

- All courses must be graduate-level and taken for a letter grade, except BME 698A & B Thesis which are graded on a CR/NC basis.
- Students must take one course from three of the four technical areas. For the one technical area you will not take a course, enter "X" under the grade section.
- For courses not yet taken, enter "N/A" under the grade section. For courses in progress, enter all information accordingly and "IP" under the grade section. 9 credit hours per semester and 3 credit hours in summer is full-time.
- See a list of pre-approved courses here: <https://utexas.box.com/v/bmegradcourselist>
