

Semester Planning

Use this chart to plan your discussion section throughout the semester and to record action items that require follow-up. Be sure to address course content with a diverse set of relevant study skills and incorporate different types of student participation.

Week	To support performance on	Learning objective (know/understand/be able to do)	Activity	Supporting Materials	For follow-up Thoughts for next time & things to change
<i>example</i>	<i>test 1 - Sept 16th</i>	<i>read from primary sources to understand purpose and function of the Federalist Papers</i>	<i>small groups to complete worksheet, then discuss as a whole group</i>	<i>handout on reading; worksheet</i>	<i>post results of group work on Google docs</i>
