Dear _____ Leadership Team,

Thank you for the opportunity to conduct a case study in _____ ISD at _____ HS. Our UT Principal Interns learned several effective leadership strategies through this case study and motivated to join your team to lead the equity centered leadership initiative in _____ ISD. We look forward to our continued partnership and our cohort welcomes the opportunity to introduce the district's equity definition and framework to principals, assistant principal, teacher leaders, district leaders and community in collaboration with your leadership team.

I am sharing a final copy of our case study research findings, PowerPoint and executive summary for your review. I copied our principal interns on this email if you wish to reach out to them directly regarding their research. UT Austin will print copies of the study in the fall semester. Thank you and wishing you a wonderful launch to a successful school year!

Thank you,
