Videoconferencing

What is videoconferencing?

- Videoconferencing is the communication between you and a classmate, professor, or guest lecturer who is not able to physically attend the class or meeting for whatever reason.
- Videoconferencing can be done in special videoconferencing rooms or by installing a client on a computer.
- Videoconferencing requires a camera, microphone, and speakers
- Regular voice conferencing can be done with a separate phone

What videoconferencing services are available in the College of Education?

- Zoom

What videoconferencing rooms are available for use?

- BEL 404A
- BEL 602A
- BEL 628B
- BEL 858
- BEL 962
- BEL 1005
- SZB 323 - Distance Learning Classroom
- SZB 360A - EDA Admin Office: SZB 349

- Laptop
- High-speed internet
- Webcam, speakers and microphone (most laptops have this built-in)

What videoconferencing equipment is available in the College of Education?

- Logitech Videoconferencing Kit

The Logitech Videoconferencing Kit gives the user a lot more flexibility.
- Camera set on a tripod for video
• Microphone/speaker module for audio
• Provides an excellent videoconferencing experience
• allows the user to place the camera almost anywhere in the room while still keeping the microphone/speaker in a central location
• Personal Skype accounts required

- Yamaha “Skype” Speakers
  blocked URL
• Good addition if you are using the video conferencing “Skype” Laptop or if you are using your own computer
• Acts as a speaker and microphone
• Provides a better quality call than the built in components of a laptop

How to request videoconferencing?
• To request videoconferencing, the first step is to submit a help ticket to help@edb.utexas.edu.
• In this ticket it is important that you include as much of the following information as possible for the remote participant.
  ◦ Name
  ◦ Email address
  ◦ UT eid (if possible)
  ◦ Site name (Organization name)
  ◦ Site location (City, State, Country)
  ◦ Site’s Technical Support Contact (A member of the participants own IT staff)
  ◦ When and Where the call will take place
