Reserving iSchool Classrooms, Conference Rooms, and Meeting Rooms

How to reserve iSchool classrooms, conference, meeting, specialty IT, and study rooms.

Introduction

The iSchool has a variety of classrooms, conference rooms, study rooms, specialty IT rooms, and meeting rooms available to reserve for students, faculty, staff, and occasional visitors from other departments. There are two kinds of reservations:

1. Delegated - Reservations you can request using Outlook calendar, but which require approval by designated iSchool staff, and
2. Open - Reservations you can create yourself using Microsoft Bookings or Outlook calendar

Reservable rooms are all managed using Microsoft 365 and a complete list of delegated and open iSchool rooms are listed on this page. If you would like to include any of these shared room calendars in your Outlook, please refer to the guide on adding shared calendars in Outlook.

Delegated Reservations

If the room you want to reserve has delegated reservations, there are two ways to submit a request:

Reserving Via Email

If you are reserving a room well in advance, you may send an email to reception@ischool.utexas.edu and include the room, day, and time in your request.

If you know the the room, day, and time you want to reserve:

Contact Reception

Reserving via Calendar in Outlook

1. In Outlook, go to your Calendar

2. Create a new event

3. Click Invite Attendees, and type the building and room number to bring up the corresponding email address and click to select it.
