Create a Wiki Page
How to create a new page in the School of Information space on UT Wikis.

Overview
This is a general guide covering the creation steps for making a new page in the School of Information home in the UT Wikis space. Managers of the respective iSchool content areas (Development, Finance, HR, Information Commons, Student Affairs, etc.) will be responsible for granting editing access to their staff. If you have questions about wiki permissions, email help@ischool.utexas.edu.

Navigate to the section you want your page to be located within
Determine if you are creating a Resource, How-To, or Policies and Procedures-related page and go to that section of the wiki by selecting the appropriate link from the Page Tree on the left-hand navigation on the page. This page will be a How To / Support page so I will start by going here.
