**Announcements & Deadlines**

- **January 19:** Spring tuition due by 5 p.m.
- **January 31:** 12th class day (last day to Add/Drop through departments)

**Events, Trainings & Workshops**

**Introductory R Workshop**

- **January 19, January 26, & February 2nd**
- 1 - 4 PM
- SZB 324

*R* is free software for statistical computing at any level, where you can manipulate raw data, compute descriptive statistics, run analyses and plot results. These weekly workshops will involve some lecture as well as some lab time where attendees can enjoy guided practice with R. [Registration & more info >](#)

**Teaching Preparation Series**

*Sessions start Thursday, January 25*

- 3:30 - 5 PM

The Sanger Center and the Faculty Innovation Center are offering a program to provide graduate students with basic training in grading, communicating effectively with students and faculty members, and fostering self-directed learning in their students. In addition, it will allow participants to observe, practice, receive feedback on, and reflect upon classroom teaching techniques. [Register here >](#)

**Teaching Fundamentals for International Graduate Students**

*Sessions begin Weds, January 31*

- 9 - 10 AM

This series of three interactive workshops is tailored specifically to international graduate students who are interested in developing their teaching skills. The sessions cover a range of topics, including strategies for connecting with students, facilitating effective classroom discussions, and motivating students. Students who attend all three sessions will receive a certificate of completion. [Register here >](#)

**Data & Donuts**

*Fridays at 3 PM*

Perry Castaneda Library

Want to learn how to take better care of your research data? Love donuts? Research Data Services at UT is hosting a special libraries workshop series aimed at promoting good data management practice. [Details & topics schedule >](#)

**Grand Rounds in Department of Psychiatry at Dell Medical School**

*2nd Tuesday of each month, September 12, 2017 - June 12, 2018, 8 - 9:15 AM*

Dell Medical School, Health Learning Building (15th & Red River)

The Dell Medical School Department of Psychiatry faculty have selected exciting topics, including an overview of the department's state-of-the-art research, a mental health legislation and policy update, women's mental health, and community resources. Several nationally-recognized speakers will join as well. For more information, email dellmedpsych@austin.utexas.edu.
Disability and Rehabilitation Internships

The American Institutes for Research (AIR) has two part-time, short term internships available for Spring and Summer. These provide an opportunity to current graduate students to work with researchers and technical assistance providers on projects that involve disability research, training and development activities, knowledge translation strategies, and disability policy. Spring internship details; Summer internship details >
