How to join the BioITeam

If you just want to be kept abreast of what the BioITeam is up to

Then just go to the UT list server and sign up for the BioITeam list (bio-it@umail.utexas.edu).

If you want to contribute

Review the How to Contribute page and then send an email to Anna Battenhouse or Matt Vaughn. Upon approval you will be given edit rights to this wiki and access to the BioITeam resources at TACC (e.g. /corral-repl/utexas/BioITeam/).
