#### Announcements

- **EDP 398T College Teaching Methodology**: one of the requirements for employment as an AI or TA is completion of a 398T College Teaching Methodology course. EDP is offering one this Fall - be sure to add this course (with adviser approval) if you're wanting to pursue AI or TA employment in EDP!

- **EDP 194 Understanding Homelessness**: this Fall course is taught by the Dell Medical School, and is available to all graduate students. The format is a graduate seminar providing an interdisciplinary, experiential learning opportunity around the experience of homelessness as a social determinant of health, particularly for individuals with mental health conditions. [More info >](#)

#### Events, Trainings & Workshops
