Butler School of Music Jury Information

Butler School of Music (BSOM) jury information for undergraduate and graduate music students is listed below. The jury sheets, FDFJ forms, jury levels/sequences and links on the performance division information page are downloadable PDFs. To learn more about these, and for how to schedule your jury & how/when to submit your jury sheet (if a jury sheet is required for your area), please review the BSOM jury information for the semester listed.

In general, most BSOM juries are held during the first two days of the official final examination period as follows:

- Fall semester juries: On the Thursday and Friday immediately following the last class day of the fall semester
- Spring semester juries: On the Wednesday and Thursday immediately following the last class day of the spring semester

Please note: No official juries or unofficial "mock" juries are allowed during the no-class days occurring after the last class day of the semester and before the beginning of the final exam period, as noted in the academic calendar.

After reviewing the information below, if you have questions that your performance instructor or division head cannot answer, please contact Stephanie Wray <sjw@austin.utexas.edu>.
