Reference Genomes and Databases

Reference Genomes

The following is a list of reference genomes available through the GSAF on the fourierseq server.

References (by organism)

- Human
- Mouse
- Rat
- Yeast
- Arabidopsis
- Cotton
- KSHV
- Bacteriophage T7
- Xenopus tropicalis
- Zebrafish (Danio rerio)
- E. coli DH10B

Reference Databases

- Conserved Domain Database
- Uniprot Swissprot
