How to Connect an Auxiliary Device in a College of Communication Classroom

The auxiliary panel is located in the equipment rack and allows you to connect a variety of equipment.

Turn on the Projector

Touch the touch panel screen to wake it up.

Press the Source you want to use to begin. The Projector will power on automatically.

Press the AUXILIARY INPUT on the teaching station’s console to start.

Equipment Rack
The utility shelf may be pulled out and used for equipment brought into the classroom.

Equipment Rack Detail
Note the inputs on the left-hand side for composite video and analog audio via RCA jacks.

For devices with HDMI connections you will need to use the HDMI cable on the teaching console. You will still choose AUXILIARY INPUT on the teaching station’s touch panel.

Cables may be checked out from Technology Services, CMA 3.102 or BMC 5.104.

Choose Composite or HDMI to match your device.
Adjust the Volume

PLEASE NOTE: The volume controls and the menu across the bottom persist regardless of what screen you are on. The laptop screen is shown here only as an example.

Press the **PLUS sign** as indicated near the top right corner to turn up the volume.
Press the **MINUS sign** as indicated near the center right of the touch panel to turn down the volume.
Press the MUTE AUDIO button to silence the audio. Press it again to restore the audio.

Blank the Screen

Press the *BLANK SCREEN* button at the bottom right to blank the screen. Press it again to restore the picture. Even though the class won’t see anything on the screen, you will still be able to see the picture on the teaching console monitor.

Turn off the Projector

Touch the touch panel screen to wake it up, if needed.

Please note the Laptop screen is shown for example purposes only. You may press the OFF button from any page as the bottom menu persists across all screens.
From any screen, press the OFF text in the lower left-hand corner.

Confirm that you want to shut down the projector by pressing YES.

The projector will need to cool down for several minutes before it can be turned on again.

Get Help

**Emergencies**

Call 911 for all emergencies

Call **UT Police at 512-471-4441** for all other security concerns

**Technology and Classroom Equipment**

Contact [College of Communication Technology Services](mailto:comm-help@austin.utexas.edu) for issues with classroom equipment, checkout equipment, and computing.

Call us at **512-471-1199**, e-mail us at comm-help@austin.utexas.edu, create a ticket in [Moody College Service Desk](mailto:comm-help@austin.utexas.edu) or come see us at our walk-in helpdesk which is located in **CMA3.104**.

When you get off the elevator on the 3rd floor of CMA, we're immediately to your right.

**Facility**

Contact John Kimbrough, College Facilities Manager, by creating a ticket in [Moody College Service Desk](mailto:comm-help@austin.utexas.edu).
