Virtual LRC (vLRC)

The vLRC (aka AppD) provides remote access to a subset of software available in the LRC.

1. Connect to UT VPN (see configuring UT VPN)
2. Go to https://appd engr utexas edu
3. Mac & Windows: Install the vWorkspace client the first time using the vLRC
4. Select ASE-Win10

Please send email to lrc mail ae utexas edu if you have feedback or issues with the vLRC.
