Student Liability Insurance

Students who are engaged in extracurricular activities, training programs or internships as a volunteer worker and working on behalf of the University of Texas System are required to purchase student liability insurance. The types of services in which students may be engaged include Allied Medical, Nursing, Pharmacy, Social Work, Early Childhood Development and related Healthcare Courses of study.

The cost of the insurance is $14.00 and can be paid by cash (exact change), check or money order only. Payments can be made in BEL 718, ask for Shannon LaFevers. Students will receive a receipt upon payment. The coverage is applicable for a one year period beginning on August 2 and continuing until August 2 of the following year.
