Lockers

UT Music Majors

You can check out a locker for the year to store your instrument in the building. At the beginning of every semester, we will send out a message to all students with a link to an online form. Complete the form, and we will find a locker appropriate for your instrument.

UT Non-Music majors

If you are registered for a class for which an instrument is required, you may also request a locker. Please note that Longhorn Band students, including those in Pep Band, should contact the LHB Equipment Room for a locker in which to store LHB instruments.

Lockers checked out through this system must be cleaned out and returned by the end of the semester.

If you have additional questions about lockers, please contact the BSOM Locker Coordinator at bsom-lockers@utexas.edu.
