Virtual LRC - vLRC

The vLRC (aka AppD) provides remote access to a subset of software available in the LRC.

1. If off UT campus connect to UT VPN (see configuring UT VPN)
2. Go to https://appd.engr.utexas.edu
3. Mac & Windows: Install the vWorkspace client the first time using the vLRC
4. Select ASE-Win10

Please send email to lrc@mail.ae.utexas.edu if you have feedback or issues with the vLRC.
