Academic Policies

These are some of the academic policies that govern the graduate program in the Aerospace Engineering and Engineering Mechanics Department.

- Academic Dishonesty
- Leave of Absence
- New Parents extension policy
- Student Grievance Procedures
- Travel Policy for International Locations

The Graduate Catalog contains all official academic policies at the University of Texas at Austin Graduate School.

The General Catalog contains all official academic policies for UT Austin, as a whole.

The Handbook of Operating Procedures contains all non-academic policies that govern UT Austin, including Human Resources, Facilities, Research, EH&S, etc.
