

SHSSW Office of the Associate Dean for Research

Welcome to the OADR Wiki space. Here you will find guidance and procedures relating to all phases of your sponsored research project.

Curious on what we do? Check us out [here!](#) Should you have any questions, comments, concerns not currently addressed here, please reach out to OADR and their team.

Important Messages from OADR:

- **Travel Policy:** The prohibition on university-sanctioned domestic travel for business or study is extended through August 31, 2021. Decisions about the policy after August 31, 2021 will be announced on or before July 30, 2021.
- **Software Purchases:** Please keep in mind, any software license purchases must be reviewed by your Post-Award Specialist prior to purchase/renewal. For more info, please visit our [page](#).
- **Reimbursement Request:** Purchases for the university made by faculty, staff, and students using personal funds are NOT authorized and will only be reimbursed as an exception. Please discuss with your Post-Award Specialist head of time before proceeding on this route.
