

# Information Technology

The LBJ Information Technology Services (LBJITS) office provides technical support for instructional and administrative information technology at the LBJ School. This includes the LBJ Student computer lab, SRH Unit 3 network connections, system administration and support, web administration and support for the LBJ School's University hosted web presence, classroom technology and multimedia and faculty and staff administrative and instructionally related computing at the LBJ School. We purchase and support desktops and laptops that conform with University-recommended hardware standards that are used for instructional and administrative functions at the School.

Our office is located in SRH 3.274. Support is available during business hours by calling 512-471-0229 or sending e-mail to [asklbj@austin.utexas.edu](mailto:asklbj@austin.utexas.edu). Voice mail and e-mail are checked regularly during the day.
