

Wiki FAQ

What information is in the Wiki?

Currently the information contained in the McCombs wiki is limited to technology related topics that serve as a support resource to McCombs students, faculty and staff.

What topics can be covered in the Tech Wiki?

The purpose of the McCombs Tech Wiki is to be the first line of support for technical issues. The Tech Wiki primarily should contain technical support articles. This includes:

- McCombs specific applications
- Hardware questions
- Commercial software that is supported by McCombs
- Facilities that are supported by McCombs [Computer Services](#)

Who maintains the Tech Wiki?

New articles and additions to previous articles are written by [Computer Services](#).

Is there a topic you'd like to see covered on the wiki?
