

LAITS Computer Standards and Recommendations

Introduction

LAITS determines [Minimum Computer Hardware Standards](#) as well as Recommended Models. We also have a list of Optional Accessories.

For Printer Recommendations, see our [LAITS Printer Recommendations page](#).

Adhering to these Standards prevents the following issues:

- No Encryption due to lack of TPM Chip
 - Encryption is required by the State
- Long lead time to prepare non-standard computer

Use the Arrows to see the full list of LAITS recommended models. Updated (1/20/2021)

Optional Accessories

Displays (check ship times before ordering - most models are on 60 day backorder)

Displays

Name	Number	Cost
Dell 24 Video Conferencing Monitor - This monitor has a HUB (docking station) built-in as well as a camera & microphone. Purchasing this monitor with a new computer (Mac or PC) will not require a docking station.	C2422HE	\$311.99
Dell 27 Video Conferencing Monitor -This monitor has a HUB (docking station) built-in as well as a camera & microphone. Purchasing this monitor with a new computer (Mac or PC) will not require a docking station.	C2722DE	\$431.99

Docking Stations

PC			Mac		
Name	Number	Cost	Name	Number	Cost
WD19 130w - 180w AC		\$190.19	CalDigit TS3 Plus	HMX12ZM/A	\$249.95

**Note about dual displays with the Belkin Thunderbolt 2 Dock: At least one display has to be Thunderbolt or Thunderbolt 2 technology-ready. For displays that are not Thunderbolt technology-ready, the Thunderbolt port is backwards compatible with Mini DisplayPort. The dock supports either HDMI or Mini DisplayPort, but not both. We are working on another recommendation.
