

Creating a New Page

Click the "Create" button that is at the top of the Wiki page and choose "Blank Page"

The screenshot shows a 'Create' dialog box overlaid on a Wiki page. The background page is titled 'Wiki Admin Tips' and is part of the 'Center for Transportation Research Support Wiki / CTR Support Wiki / Computer / IT Support' space. The dialog box has a 'Create' header and a 'Filter' input field. Below the header, there is a 'Select space' dropdown menu currently set to 'Center for Transportation Re...' and a 'Parent: Wiki Admi' label. The main area of the dialog displays a grid of template options, each with an icon and a brief description:

- Blank page**: Start with a blank page. (This option is highlighted with a blue background.)
- Decision**: Record important project decisions and...
- How-to article**: Provide step-by-step guidance for...
- Meeting notes**: Record meeting notes and actions.
- Blog post**: Share news and announcements with your...
- File list**: Upload, preview and share files with your...
- JIRA report**: Communicate JIRA information in easy to...
- Product requirements**: Record product requirements and...

At the bottom of the dialog, there is a text prompt 'Add or customise templates for the selected space' and a blue 'Create' button.
