

Software

SPSS - Renewal date varies each fiscal year due to contract (from August to November)

SPSS is currently only being used for Assessment. There are currently 2 total licenses. Renewal is due in Oct each year but can be known to vary. It must be purchased via TXShop through ITS, although this is currently in the process of changing.

SPSS Licenses	Account Number	Price
Jennifer Nailos - Assessment		285
Assessment GA - PC		285

Tableau

Tableau is offered by Information Quest. The request for the software is done through Jamie Sweeney. She can be contacted by email at jsweeney@austin.utexas.edu or 512-471-6392.

Adobe Licenses

Renewal is due in Nov each year. It must be done through Michael Hill of the Campus Computer Store. An email must be sent to him to obtain a quote and include the VIP number. He can be contacted by email at michaelh@hied.com or 512-232-3838. Once you receive the quote from him, you can put the quote number into a cart in UT Market to process the order.

Leslie Monclova	RDMORIV5AP	Active
Not in use	23NPHH6KT9	Discontinued - May resume later?
Not in use	H4HNLGKXWB	Discontinued - May resume later?

RETIRED

Filemaker

The version of Filemaker that was used was 15. The databases were located on the server and were hosted by ITS.

Server certificates must be obtained before expiring. An email was sent by the system when it was close to expiring. Renewal requests were sent to cert-requests@its.utexas.edu.

The archival copy is located in UGS IT Box
